If you do not agree with any of these terms, you are prohibited from using or accessing this site. The materials contained in this website are protected by applicable copyright and trademark law.

2. Use License

Permission is granted to temporarily download one copy of the materials (information or software) on TCPShield's website for personal, non-commercial transitory viewing only. This is the grant of a license, not a transfer of title, and under this license you may not:

- Modify or copy the materials
- Use the materials for any commercial purpose, or for any public display (commercial or non-commercial);
- Attempt to decompile or reverse engineer any software contained on TCPShield's website
- Remove any copyright or other proprietary notations from the materials
- Transfer the materials to another person or "mirror" the materials on any other server.

This license shall automatically terminate if you violate any of these restrictions and may be terminated by TCPShield at any time. Upon terminating your viewing of these materials or upon the termination of this license, you must destroy any downloaded materials in your possession whether in electronic or printed format.

3. Disclaimer

The materials on TCPShield's website are provided on an 'as is' basis. TCPShield makes no warranties, expressed or implied, and hereby disclaims and negates all other warranties including, without limitation, implied warranties or conditions of merchantability, fitness for a particular purpose, or non-infringement of intellectual property or other violation of rights. Further, TCPShield does not warrant or make any representations concerning the accuracy, likely results, or reliability of the use of the materials on its website or otherwise relating to such materials or on any sites linked to this site.

4. Limitations

In no event shall TCPShield or its suppliers be liable for any damages (including, without limitation, damages for loss of data or profit, or due to business interruption) arising out of the use or inability to use the materials on TCPShield's website, even if TCPShield or a TCPShield authorized representative has been notified orally or in writing of the possibility of such damage. Because some jurisdictions do not allow limitations on implied warranties, or limitations of liability for consequential or incidental damages, these limitations may not apply to you.

9. Refund policy

9.1 Eligibility

Customers are eligible for a full refund within 48 hours of the initial purchase payment date for new subscriptions. Please note, this includes only first-time purchases and not renewals.

9.2 Process

To apply for a refund, you must send a refund request to our support team within the specified 48-hour window. Your request must include your purchase details and reason.

9.3 Limitations

Refunds can only be honored for the most recent payment made within a 48-hour period, and cannot be honored for previous months in which we have provided our full service, nor can they be honored for renewals. This policy does not cover if our terms of service are violated, unlawful activities are detected, or if your service is suspended or terminated due to external factors beyond our control.

9.4 Policy Changes

TCPShield reserves the right to modify this refund policy. Changes are effective immediately upon posting on our website, and we encourage customers to review our policy periodically.
